"THAT WAS THE WEEK END THAT WAS"

Years from now if someone should ask when summer came to Unity in 1964, we can quickly answer July 18th and 19th. But the heat of the days was exceeded only by the heat of the enthusiasm with which our Town celebrated its 200th birthday.

Preparations for this gala affair began the first weekend in February with many interested inhabitants offering all sorts of suggestions and ideas. As time went on, some withdrew but still a small group of us carried on, determined that it was to be a real "bang-up" celebration and our hearts were indeed gratified when it became just that!

There are no words to adequately express our thanks to George Callum for the authentic signs made for our roads. A tremendous amount of work went into the making of these signs and so much enthusiasm! His help in giving anecdotes and facts regarding old timers was invaluable. His knowledge of all the roads in Unity, along with Perley Newton and Albert Reed helped John and Roberta Callum to do a most thorough job in making up a set of maps of our town.

Albert and Abbie Reed gave so much of their time in collecting old photos and clippings of the early years of Unity, and in making a large map for display.

"Peg" DeLude expended much time and money in planting seeds and transplanting plants to fill the wonderful flower boxes that graced the front of the Town Hall.

And what can we say about "Danny" Fellows and his able workers who transformed the "Village Green" into just that? How very lovely it looked!

Our thanks also to all who contributed in any way to our History Hi Lites. What a project that was! We were constantly off and running to track down the least bit of news concerning the early days of Unity. We haunted the State Historical Society and the State Library. Everyone was most helpful.

And thanks to Pat and Sally Strout and family for photos taken and time spent in helping make the town hall so beautiful.

Thanks and a bouquet to Florida Goodell for persuading our friendly Governor to be with us, and for her steady work in contacting advertisers for our program.

Our Fire Department comes in for a share of thanks, too, for the Public Address System so ably run by Robert Janelle and to all the firemen being wherever they were needed.

Thanks also go to the County Home for the very cute and "friendly" pig who loved being greased and was much too smart to run in all the heat.

Our parade was indeed the "most". The floats were original and funny and serious—the St. Mary Cavaliers, the best in music—the Westernaires and horses were fantastic.

To all our organizations we say "thanks". Your help in putting on a dance - supper - and selling refreshments helped make our celebration a real success.

The horse show was a real treat and our thanks go to Teddy and Kay Augustinowicz for a job well done.

And need we say that our Chicken Bar Be Cue was a "wash-out"? But it was almost a sell-out first.

The display of antiques at the school house was truly a remarkable thing. All those who gave so freely of their time in gathering and lending these articles must have been gratified in the crowds of people who came and went, and enjoyed the exhibits.

The touching way in which the church services and hymn sing were received made us all feel truly blessed.

Yes, it was a success far beyond our comprehension—but the one truly great result of our hard work was the way in which everyone worked together. This was real team-work! It produced a real and memorable tribute to "Our Town".

Superintendent's Report

To the School Board and Citizens of the Unity School District, I respectfully submit my eighth and final report as Superintendent of Schools:

TEACHING STAFF

School opened on Wednesday, September 9th. All of last year's staff returned for another year except Miss Buswell. Mrs. Nelson, Principal, was transferred to the intermediate room grades 5 and 6. Mrs. Cross was moved to a new location in the all-purpose room and assigned to grade 7.

Miss Buswell resigned to be married and accept a position in the city of Claremont for this year.

Robert Hartwell was appointed to a newly created position (additional teacher) to teach grade 8 at the Unity School. Mr. Hartwell came from Campton, N. H., and was graduated from Plymouth State College with a B.Ed. degree in 1964. Mr. Hartwell did his practice teaching at the Plymouth, N. H. elementary school.

Mrs. Eleanor Belkovicz was appointed teacher in the primary room. She succeeded Miss Buswell who had been with us two years. Mrs. Belkovicz graduated from Keene State College with a B.Ed. degree in 1941. She formerly taught at Sunapee and also the Maple Avenue School in Claremont.

EXPECTED SCHOOL ENROLLMENT

1965 - 1966

It is expected that we will have a first grade enrollment of eight pupils next year. This will give us a probable school enrollment of 93 pupils. Seventeen eighth graders will be graduated and be tuitioned to High School elsewhere. The room assignment should be as follows: (Based on a four member teaching staff)

Grades 1 and 2	18 Pupils
Grades 3 and 4	26 Pupils
Grades 5 and 6	28 Pupils
Grades 7 and 8	21 Pupils
Total	93 Pupils

MAINTENANCE, REPAIRS AND IMPROVEMENTS

Mrs. Kenneth Smith has been our custodian at the school this year. During the summer vacation the building was cleaned throughout. Floors were washed and waxed, windows cleaned and student desks were sanded and varnished. Money was provided in the budget for redecorating the hallway and the toilet facilities. General repairs were made on the furnace.

Television outlets were installed in each classroom so that the television on a carriage was available for use in every room. A new set of swings was purchased and erected on the playground for the use of the intermediate grade children. A new set of encyclopedias was purchased for the upper grade room.

CHANGE IN SUPERVISORY ADMINISTRATION

Beginning October 1, 1965, Unity will be assigned to the Claremont Supervisory Union, along with the town of Cornish. The Union No. 5 office will be closed on that date. This change has been precipitated by the retirement of your present superintendent. Goshen and Lempster will become a part of Union No. 43 in Newport and Union No. 5 will be dissolved. This all is a first step toward the eventual establishment of the new Cooperative District in the Charlestown-Walpole area, which takes effect on July 1, 1966.

STATE AID AND INCOME

We wish to list the monies received from the State for support of schools as follows:

1. Foundation Aid	\$18,212.06
2. Building Aid	808.24
3. Additional State Aid	5,023.00
4. Sweepstakes Money	3,121.41
Total Aid	\$27,164.41

SUPERINTENDENT'S RECOMMENDATIONS

1. That the teaching staff be reduced to four teachers. The very much reduced pupil enrollment will not warrant the expenditure of money for a fifth teacher.

2. That a storage addition be constructed at the rear of the present building, to make space available for keeping our lawn mower, janitor supplies, cafeteria tables and other tools and equip-

ment. Our present facilities are not adequate.

3. That provision be made in future budgets to employ an art and music supervisor in cooperation with other nearby towns. Art and music are much needed subjects to enrich our present curriculum.

4. That effort be made to provide funds for the establishment of a class in Special Education for Retarded Children.

5. That more study be made and further consideration be given to the Area School concept in the Claremont Union.

SUMMARY

Accompanying this report you will note similar reports by the School Nurse and the School Principal. These reports give more detailed information concerning the activities of the children during the school year. I hope parents will read these reports with interest and satisfaction.

I wish to thank the School Board members, teachers and citizens of Unity for their loyalty, cooperation and support during the school year.

Respectfully submitted,

NOYES C. STICKNEY, SR.

Superintendent of Schools.

Principal's Report

UNITY ELEMENTARY SCHOOL

Principal's Report for 1964 - 1965

This year we have for the first time, a faculty of five teachers. The eighth grade has been taught by Mr. Robert Hartwell, who came to us from Plymouth State College. Mrs. Eleanor Belkovicz replaced Mrs. Nancy Decoteau, who left us to teach in Claremont. The remaining grades have been taught by Mrs. Judith Cross, Grade 7, Mrs. Mary McCullough, Grades 3 and 4 ,and Mrs. Nelson, Grades 5 and 6.

New math was introduced in the first two grades last September and new textbooks supplied. It is hoped that we may be able to continue this through Grades 3 to 6 this fall.

We are grateful for the facilities which were installed to permit television programs to be heard in individual rooms. We were also pleased to find a fine new backstop for our baseball field when we returned in September.

An extension course in Children's Literature from Keene State College has been completed by three of the teachers, Mrs. Cross, Mrs. McCullough, and Mrs. Nelson. In connection with this, a number of library books have been purchased for each room.

In closing, I would like to express the faculty's appreciation to the parents and friends of the school who have helped us in so many ways.

Respectfully submitted,

ELIZABETH NELSON

Principal.

Report of School Nurse

To the School Board and Citizens of Unity I herewith submit my annual report as School Nurse of Supervisory Union No. 5.

During the school year 1963-64 ninety-nine vision tests were done. Of this number three children were found to have vision problems. All of these children were seen for further examination and corrections were made as needed.

Ninety-four hearing tests were done as well as four audiograms. An audiogram consists of a graph of hearing which shows the loudness or the threshold at which one can just barely hear each of the tones of the audiometer. One child was noted as having a hearing loss. This child was taken care of by the family physician.

Ninety-six children were weighed, measured and checked for noticeable deviations from the normal. The problem of adequate dental care still remains a difficult one to solve. Thirty-four children attended the Dental Clinics which were sponsored by the P.T.A. and the State Department of Health. Dr. Rund has done this Clinic for a number of years and does a fine job with it. Needless to say a Clinic cannot solve all the dental problems.

Ninety-four children were given the Tuberculin Patch Test. Those who reacted to the test had chest x-rays at the Diagnostic Chest Clinic in Claremont. All x-rays were negative. In the Spring a change in the Tuberculin Testing Program will be made and the Stern Test will be used.

We hope to make Sabin Vaccine available again in the Spring. Our pre-school children particularly, should have this Vaccine.

There were several cases of mumps this past school year and aside from that attendance was good and it was a good year health-wise.

I would like to take this opportunity to thank the School Board, Mr. Stickney, the school personnel and the parents for their fine continuing support of the School Health Program

Respectfully submitted,

FLORENCE MacIVER

School Nurse.
